2. Comm'r.

The Big Fields Village census is not included as it is necessary to make some corrections and additions to same.

The San Xavier Village census is now being copied and will be forwarded within a short time.

A great number of Indians have been away from the Reservation during the year due to poor crops and the additions will be made as soon as they can be obtained.

The preparation of this census has been quite difficult, but when completed I believe we will have quite an accurate census of the Reservation.

Very respectfully,

*A. A. McCombie*

Superintendent.

## DEPARTMENT OF THE INTERIOR

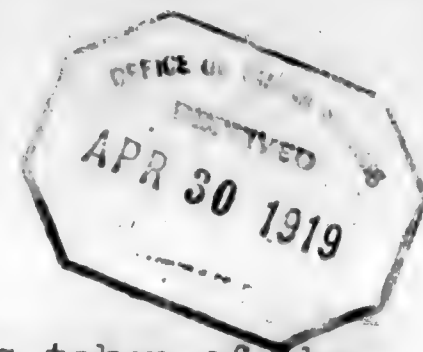

UNITED STATES INDIAN SERVICE

Sells Indian School.

Tucson, Ariz. Apr. 25, 1919

The Hon. Commissioner of Indian Affairs,  
Washington, D.C.

Sir:-

There is transmitted herewith Census taken of the San Xavier and Indian Oasis Indian Villages under this jurisdiction. With the exception of a few small villages where the Indians are absent from the Reservation picking cotton and working in the fields the census of the Reservation is quite complete.

In this connection I wish to ask if it will be necessary to again submit the census at the end of June. It is a great task to take the census of this Reservation even the copying of it takes a great amount of time. As the census which has been recently submitted is practically a census up to the present time I respectfully request that I be not required to again submit the census in June.

Very respectfully,

*J. P. McComick*  
Superintendent.

Census  
1918

May 3 1919

Mr. Thomas D. M<sup>c</sup> Cormick,  
Supt. Sells Indian School.

My dear Mr. M<sup>c</sup> Cormick:

Your annual report for 1918 shows a population of 5,237 Papago Indians, while the census submitted <sup>on</sup> March 8, and April 25, 1919, shows only 3,678 Indians, a difference of 1,559 Indians.

In this connection your attention is invited to Section 9 of the Act of July 4, 1884 (23 Stat. L. 98), which requires that Superintendent submit annually a census of all Indians under their jurisdiction.

You will please make every effort to prepare as complete a list (arranged alphabetically by families) as is possible, of the Indians (not included in the census submitted on March 8, and April 25) under your jurisdiction, on Form 5-128, for the period year ended June 30, 1918, or explain why such a decrease in the census just reported.

Very truly yours,

Ernest Combs

The Hon Commr of Ind Affairs  
Wash. D. C.  
Sir: -

I beg to acknowledge receipt of office letter of 5/3/19 re to the difference between the census submitted & the pop. as shown by the annual report.

In this connection I have to say that the census taken during 1918 & 1919 which has recently been submitted to the Office is the first & only census ever taken of the Papago Inds with the exception of a census of the Inds living at San Xavier. The pop. heretofore reported on the An. rpt of Supts has been an est.

As stated in my former correspondence it is impossible to get a more complete census at this time as the Inds are away from the resin many being in the cotton fields near Phoenix. There are but 3 villages that are of much size for whom I have submitted no census, & just as soon as I can get this census I will forward same to the Office.

It is doubtful however if more than 200 addn names can be secured & I believe that the estimated 5200 Ind. pop. has been considerably in excess of the total pop. on the resin.

very resps,

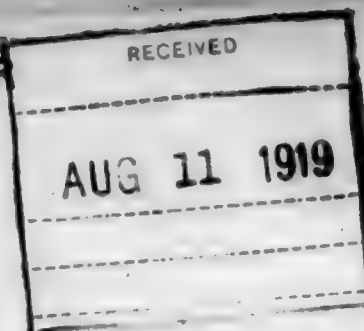

(Signed) T. F. McCormick  
Supt
